Simplicity and
Colour variety

is our philosophy when
it comes to creating products.

We Grow

Micplast is a growing and very successful brand. More than 12 years of experience in development, production, logistics, marketing and sales of pottery and garden related products.

Grow with us

This coming season we hope to deepen our relationship with you and begin new partnerships so that we can continue what we've been able to do so successfully for the past years: **grow together.**

What you can do with Micplast products and your imagination is Simply Magic!

We love creating colourful, well designed, lightweight and quality products that bring excitement and happiness to millions of customers around the globe.

Classic Pots

Classic is Trendy

With its always in style, urban appearance it gives a contemporary touch to your garden, balcony or roof garden. Spending time outdoors, surrounded by plants and flowers in pretty flower pots is crucial.

It's no wonder that we want our gardens to look just as stylish and personal as our interiors. Have this vintage form inspire you to keep enjoying it throughout the day, relax and enjoy!

Daiquiri Round pots

Daiquiri is extra strong

With just one look at the new daiquiri collection you will be seduced by its natural beauty.

With its matt and harmonious shape, the “Daiquiri Round” pot conjures up a modern feel-good atmosphere.

Thanks to its excellent properties, it can be used both indoors and outdoors. Neither UV radiation nor frost can harm it.

Window Boxes

The simplicity of minimal beauty

Micplast is your balcony specialist. In the Window Boxes range you will always find the latest trends when it comes to balcony planters. Elegance and quality, amazing colours plus the patent pending easy grip hanging system that is safe to use in any balcony.

Cinnamon or Mojito window boxes lend your balcony or wall with a deluxe look and feel. There is of course a matching saucer available for all the balcony planters in this range, which provides your plants with optimum protection with the patent pending easy grip that locks your window box in place.

Work with us

Micplast is a global brand developing and selling high quality planters and related products, from jumbo pottery to small accessories.

The company has its headquarter, showroom and warehouse in Aspropyrgos industrial zone, Hellas.

Since our foundation in 2012 we aim for an extensive assortment that is based on the belief that design should be available for everyone.

That is why we are always looking for the perfect balance between design, quality and price.

Every pottery pots product is designed from a simple but clever perspective.

We believe in basic forms and shapes, without thinking of it as boring.

This no-nonsense way of thinking and designing is assigned to the Micplast identity, Micplast, products that last.

We want every indoor and outdoor space to stand out.

To achieve this, we developed a wide selection of planters to make sure we always have a suitable product for your project in stock.

With our 12 years of experience in selling pottery we know how to give you the best advice. We know buying pottery can be a challenge, but we are here to help you.

Whether you need to choose your assortment for the next season or you would like to know which planter suits best in your project, our aim is to serve you the best pottery.

Parents are part of Micplast identity. Grow with us!

This coming season we hope to deepen our relationship with you and begin new partnerships so that we can continue what we've been able to do so successfully for the past years: **grow together in 3 steps:**

- Register today:
- We will introduce you to our amazing product portfolio
 - We will create an account for you and you can't ordering
 - We will create an account for you in our B2B site and you can start ordering immediately

Order online easily

Order online at any time and get instant insight into the latest Micplast products.

It will be even easier with your own default order form that you can use again and again.

Our assistant can help re-ordering your latest order with a simple click, while on the same time you can preview your order before submitting, check the final amount, achieve volume discounts and many many more.

You can see the stock of your favourite products and of course in the unlikely scenario that the product is out of stock you will be notified immediately when the stock has been replenished.
